2009 Jazz Festival Opening

The Charles Hotel celebrated the opening of the 2009 Jazz Festival on February 5 with a special cocktail reception at the Regattabar. Woodstock legend Richie Havens, jammed out as guests danced and drank Grey Goose martinis. Circle Furniture provided a sleek lounge for party-goers to enjoy while they noshed on scrumptious hors d'oeuvres. The three and half a month festival features premier, top-flight jazz artists booked by Blue Note International, the world's only franchised jazz club network, and attracts approximately 10,000 attendees.
